EXPERIENCE

AMAZON

Seattle, WA

Senior Marketing Manager Intern, Cross-border Exports

Jun 2025 - Aug 2025

- Developed short- and long-term Generative AI roadmap to improve marketing workflow efficiency, reducing campaign turnaround time by 12%; conducted A/B testing to evaluate GenAI applications supporting global Amazon campaigns
- Conducted cross-functional analysis to support global growth initiatives, including Prime campaigns, free shipping programs, and launch strategy for a new shopping app across 180+ international markets

MACY'S

New York, NY

Site Merchandising, Shoes & Accessories (E-commerce)

Feb 2024 - Apr 2024

- Exceeded wallets sales target by 20% during the Men's Spring Event by leveraging Microsoft Power BI, Excel, and Adobe Analytics to optimize site KPIs and inventory allocation
- Drove cold-weather strategy for Men's division as a cross-category captain, extending sales through Q2
- Directed testing and QA for site, desktop and mobile app; streamlined Adobe Experience Manager integration, reducing manual effort for live campaign setup and tracking

Site Merchandising, Home Textiles (E-commerce)

Jul 2023 - Feb 2024

- Delivered \$15.5M in revenue during Black Friday in July through pricing, promotion, and category positioning analysis
- Increased pillow category page views by 14% through consumer behavior analysis and search optimization
- Partnered with vendors to resolve 10k+ low-rated reviews, improving product quality and customer experience
- Redesigned Macy's Wedding Registry experience, enhancing UX through asset integration and navigation

Product Development, Private Label Handbags (Supply Chain)

Jun 2021 - Jul 2023

- Managed \$20M private label portfolio across 700+ SKUs, driving assortment expansion through consumer trend analysis, vendor strategy, and product commercialization initiatives
- Led launch of \$15M On 34th brand targeting under-40 consumers, overseeing cross-functional development from concept through retail execution
- Mentored 4 new hires and interns; built and implemented an end-to-end training guide for transitioning colleagues
- Co-led Product Development Engagement Committee, driving initiatives to boost community and professional development

Product Development, Private Label Jewelry (Supply Chain)

Dec 2020 - Jun 2021

- Streamlined contract processes of purchase orders across function by onboarding new tool, cutting manual effort by 75%
- Recommended pricing and ticketing improvements to standardize processes across jewelry brands and product categories
